### **You and Your Dependents**

- the terms that may refer to you are: Employee, Member and Participant;
- the terms that may refer to your Dependents are: Dependent, Spouse, Child and Participant.

#### Employee: A person who:

**Member:** An Employee who is eligible and approved for coverage under this plan.

**Dependent:** Your Spouse or Child.

#### Spouse: A person who:

- · resides in Canada; and
- meets one of the following criteria:
  - is legally married to the Member;
  - is in a civil union with the Member as defined by the Civil Code of Quebec; or
  - has been living with the Member in a conjugal relationship for at least 1 year; however, where required by provincial legislation, this 1 year period is waived if a child is born of such relationship.

The Spouse must be designated by the Member on their application for coverage. Only one person may be covered as a Spouse at any one time.

### Child: A person who:

- resides in Canada;
- is the natural or adopted child of the Member or Spouse, or the child over whom the Member or Spouse has been appointed as guardian with parental authority;

  - a) is under age 21;
  - b) is under age 25\* and is attending an accredited educational institution, college or university on a full-time basis; or
  - c) became mentally or physically disabled while a child as defined in (a) or (b) and has been continuously disabled since that time.

\*Exception: A Child who is a Quebec resident is eligible to continue drug coverage if under age 26 and attending an accredited educational institution, college or university on a full-time basis.

A Child is considered to be mentally or physically disabled for the purposes of this definition if they are incapable of engaging in any substantially gainful activity and are financially reliant on the Member or Spouse for care, maintenance and support due to this disability. Blue Cross may require the provision of written proof of a Child's disability as often as is reasonably necessary.

**Participant:** The Member or one of the Member's Dependents who has been approved for coverage under this plan.

## **Helpful Tip**

You are responsible for enrolling your Dependents under the plan when they become eligible.

In addition, you are responsible for removing them when they no longer meet the definitions outlined here.

An Eligible Expense is considered to be incurred on the date the service or supply was received by the Participant. Reimbursement for Eligible Expenses incurred outside of Canada will be limited to the amount that would have been reimbursed if the expense had been incurred in the Participant's province of residence, unless the benefit is restricted to in Canada only.

Where more than one form of Treatment exists, Blue Cross has the right to base its payment for Eligible Expenses on the lowest cost alternative if Blue Cross, in consultation with its health care consultants, deems the alternative Treatment to be appropriate and consistent with good health management.

**Experimental or Investigative:** Any treatment, procedure, facility, equipment, drug or drug usage that, in the opinion of Blue Cross after consultation with its health care consultants:

- the Participant is subject to the Act Respecting Prescription Drug Insurance.

#### Self-Insured Benefits: Benefits that are:

- fully funded by the plan sponsor who assumes sole liability for their payment; and
- administered by Medavie Inc. under an administrative services only contract with the plan sponsor.

In this plan, drug, extended health care, dental and travel benefits are Self-Insured Benefits.

**Treatment:** The management and care of a Participant to improve or cure an Illness, disorder or injury. This management and care must be:

- considered appropriate and approved by Blue Cross; and

### Usual, Customary and Reasonable: Charges incurred by the Participant that are:

- consistent with the amount typically charged by Health Practitioners or Approved Providers for similar services or supplies in the province in which the services or supplies are being purchased; and
- in the opinion of Blue Cross in consultation with its health care consultants, consistent with the frequency and quantity that would usually be prescribed or needed for the Participant's condition.

### Who is Eligible for Coverage?

You are eligible for coverage if you meet the definition of Employee and are Actively at Work.

Your Dependents are also eligible for coverage if they meet the definition of Spouse or Child outlined above in the *Key Terms*.

To be eligible for coverage, you and your Dependents must be entitled to government health care coverage or similar coverage deemed satisfactory by Blue Cross.

You must continue to work the minimum number of hours per week to maintain eligibility under the plan.

### Do I Need to Supply Proof of Health to Obtain Coverage?

You generally do not need to provide proof of health to obtain group benefits coverage. However, proof of health must be submitted if your application is received by Blue Cross more than 31 days after the date upon which you or your Dependent became eligible for coverage, with the following exceptions:

 Quebec Participants who are late in applying for drug benefits do not need to submit proof of health for drug coverage.

### **How do I Enrol for Coverage?**

#### **Application**

To obtain coverage, you must submit a completed and signed application, and submit proof of health, if required for the reason listed above.

The application must be received by Blue Cross within 31 days of the date you or your Dependent become eligible for coverage.

### Can I Opt Out of Coverage for Certain Benefits?

You are not allowed to individually select the benefits you want under the plan. In addition, when you enrol for coverage you must also enrol all of your eligible Dependents. You are allowed to waive the health benefits coverage for yourself or your Dependents if you or your Dependents already have similar coverage under another group policy. In this case, you or your Dependents will again be eligible for health benefits if you experience a Life Event, subject to proof of health if required.

### When Does Coverage Begin?

### **Employees**

Your coverage takes effect on the latest of the following dates:

- the effective date of the plan;
- the date you meet all of the eligibility requirements; or
- the date Blue Cross approves your proof of health, if required.

If you are not Actively at Work on the date you would have become eligible for coverage, your coverage begins on the date you resume being Actively at Work.

### **Helpful Tip**

**Proof of health** refers to statements or medical evidence about your health or the health of your Dependents.

### **Helpful Tip**

If you do not enrol for coverage within 31 days of eligibility, you may be restricted when applying for benefits and your benefit levels may be reduced.

# **Helpful Tip**

Health benefits may include: drug benefits, extended health care, dental benefits and travel benefits.

#### **Dependents**

Your Dependent's coverage takes effect on the latest of the following dates:

- the date you become eligible for coverage;
- the date they meet all of the eligibility requirements;
- the date Blue Cross approves their proof of health, if required; or
- the date following their discharge from hospital if they were hospitalized on the date they would have become eligible for coverage, unless:
  - they were covered under a Previous Policy, in which case their coverage begins on the effective date of the plan; or
  - they were born while this coverage is in force, in which case their coverage will be effective from their live birth.

# **Helpful Tip**

Previous Policy refers to a group plan that provided coverage for you and your Dependents, and terminated within 31 days of the effective date of this group plan.

### What Happens to my Coverage During Periods of Absence from Work?

### Illness/Accident

If you are absent from work due to illness or accident, your group benefits coverage is retained. In such circumstances, please contact your group benefits administrator to discuss the maximum period for which your coverage will be retained.

### **Maternity Leave/Parental Leave**

During a maternity or parental leave of absence, you have the choice to either retain or discontinue all coverage for the maximum period provided under the applicable legislation.

Your decision to retain or discontinue coverage must be made before the beginning of your leave of absence and this decision cannot be changed at a later date. If you decide to retain coverage, you must continue to pay your premium contributions (if any) for the whole duration of the absence.

If you are a Quebec Participant, you must at least retain drug coverage unless you benefit from drug coverage under another group plan.

#### Temporary or Indefinite Layoff/Authorized Leave of Absence/Disciplinary Suspension/Strike or Lockout

In such circumstances, please contact your group benefits administrator to discuss the benefits you must retain during such an absence and the maximum period these benefits will be retained.

### When Does Coverage End?

Coverage ends on the earliest of the date:

- the plan terminates;
- you or your Dependents no longer meet one or more of the eligibility requirements;
- your Spouse no longer meets the definition of Spouse;
- your Child no longer meets the definition of Child;
- your employment is terminated;
- you or your Dependents reach the termination age or termination date, if any, specified in the Summary of Benefits;
- you retire, unless otherwise specified in the Summary of Benefits;
- you die;
- you or your Dependents commit a fraudulent act against Blue Cross or the plan sponsor; or
- the plan sponsor defaults in payment of premiums.

Coverage for your Dependents will also terminate on the date your coverage terminates.

No coverage will be provided to you or your Dependents while performing duties as an active member in the armed forces of any country, unless coverage must be retained under applicable provincial legislation.

### What Happens When Coverage Ends?

#### **Right to Convert to Individual Coverage**

Upon termination of coverage for certain benefits, you and your Dependents have the right to convert your group benefits coverage to an individual insurance policy, provided certain criteria are met.

The benefit details will specify if this conversion right applies to a particular benefit.

When conversion is available, the following terms and conditions apply:

- You must, within 31 days of the date of termination of your group coverage:
  - submit the application form provided by Blue Cross for the purpose of conversion to individual coverage; and
  - pay the entire amount of the first month's premium of the individual policy, in accordance with the method of payment stipulated by Blue Cross;
- the individual policy will be issued without requiring proof of health;
- the premium for the individual policy is based upon the individual policy rates in effect on the date of application;
- the individual policy is subject to any maximum and minimum values or other additional terms and conditions that are specified in the Right to Convert to Individual Coverage provision of the applicable benefit.

### **Survivor Coverage**

In the event of your death, coverage for your Dependents will continue subject to the payment of premiums for certain benefits, if specified in the Summary of Benefits.

Survivor Coverage for your Dependents will terminate on the earliest of the following dates:

- the group plan termination date;
- the date the maximum Survivor Coverage period has been reached, as specified in the Summary of Benefits:
- the date your Dependents obtains similar coverage under another plan; or
- the date your Dependents are no longer considered to be eligible Dependents (for reasons other than your death).

### What if I Have Coverage Elsewhere?

With the exception of the travel benefits provided under the travel benefit section of this booklet, Blue Cross will co-ordinate your group benefits coverage with other health plans when similar coverage is available. The co-ordination of benefits process helps ensure you get the most out of your coverage. It means you can receive up to, but no more than, 100% reimbursement for Eligible Expenses.

### **Government Health Care Coverage**

Unless otherwise agreed by Blue Cross, no payment will be made for any health care services or supplies payable or available under government health care coverage or administered by government funded hospitals, agencies or providers, regardless of:

- any waiting lists; or
- whether or not you or your Dependents have applied for, or exercised your right to claim, any allowances available through any government health care coverage.

### **Helpful Tip**

The benefit of converting your group coverage is that you do so without having to provide proof of health.

Conversion premium rates will typically be higher than group premium rates currently paid.

Instead of converting your group coverage, you may prefer to apply for an individual plan, which will require Proof of Health.

Blue Cross will help direct you to existing **government programs** whenever possible. Blue Cross will only consider Eligible Expenses in excess of those provided under government health care coverage.

#### Other Health Plans

Do you take advantage of coverage under the other benefit plans available to you, such as your Spouse's? If not, you may be missing out on possible reimbursement of up to 100% of Eligible Expenses.

Blue Cross applies co-ordination of benefits according to the guidelines of the Canadian Life and Health Insurance Association Inc. (CLHIA). Here are the general rules:

#### **Expenses for Yourself:**

- You must first submit expenses incurred to this plan (where you are covered as a Member). The balance that has not been paid by this plan (if any) can then be submitted to the other plan where you are covered as a dependent (for example your Spouse's plan).
- If you are covered as a member under more than one group benefit plan, the plan that has covered you the longest pays first.

# **Helpful Tip**

The types of other plans that are potentially subject to co-ordination of benefits include any form of group, individual, family, creditor or saving insurance coverage that provides reimbursement for medical treatment, services or supplies.

### **Expenses for Your Spouse:**

• Your Spouse must submit any expenses incurred for themselves to their own group benefit plan (if any) first. The balance that is not paid by their plan (if any) can then be submitted to this plan.

### **Expenses for Your Child:**

- If a Child is covered as a dependent by both you and your Spouse, you should submit their claim to the plan of the parent whose birthday comes first in the year.
- In the event of divorce or separation, the plan of the parent with whom the Child resides (the plan of the parent with custody of the Child) pays first.

### **Helpful Tip**

For more information on co-ordination of benefits (including examples), visit our website.

### **Purpose of Coverage**

Blue Cross will pay the Eligible Expenses described in this benefit, subject to the conditions outlined below.

### **Specialty High Cost Drugs:**

 Managed Formulary: List of Eligible Drugs that are subject to the decisions of the Medication Advisory Panel.

#### All Other Eligible Drugs:

 Open Formulary: List of all Eligible Drugs. This list is not subject to the Medication Advisory Panel decisions.

#### **Prior Authorization**

Certain Eligible Drugs require prior or ongoing authorization by Blue Cross to qualify for reimbursement. The criteria to be met for Prior Authorization are established by Blue Cross and may include requiring the Participant to participate in a Patient Support Program.

### How does the Prior Authorization process affect my claim?

The first time you present a prescription for an Eligible Drug on the Prior Authorization list your pharmacist will indicate the need for Prior Authorization.

You can request a Prior Authorization Prescription Drug Form from your pharmacy, your employer, the nearest Blue Cross customer information centre or from our website. You must complete the patient section of the form, have your physician complete and sign the remaining portion and mail your completed form to the nearest Blue Cross office.

Your request will be confidentially reviewed by a health care professional according to the payment criteria established. When all the required information is received by Blue Cross, the standard turn-around time for Prior Authorization decisions is 7 to 10 working days.

## **Helpful Tip**

Your group benefits plan provides you with immediate access to most Eligible Drugs.

Certain Eligible Drugs require Prior Authorization before your prescription is covered.

## **Helpful Tip**

To print a copy of our Prior Authorization Prescription Drug Form, visit our website. You will receive confirmation in writing regarding the decision on your Prior Authorization request. If your request is approved, this confirmation will include the effective date and duration of your approval.

Any fees associated with completing this form or obtaining additional medical information are your responsibility.

### **Plan Management Features**

### **Substitution Provision**

If the Summary of Benefits specifies Substitution Provision applies and an Interchangeable Drug has been prescribed, Blue Cross will reimburse to the lowest ingredient cost Interchangeable Drug. In the case of biologic drugs, Blue Cross reserves the right to reimburse to a less expensive biosimilar drug.

Participants may request a higher cost Interchangeable Drug; however, they will be responsible for paying the difference in cost between the Interchangeable Drugs.

#### Generic Substitution:

Exception: If the physician indicates the prescribed Interchangeable Drug cannot be substituted, Blue Cross will reimburse the prescribed Interchangeable Drug despite the fact that a lower cost Interchangeable Drug may be available.

### **Helpful Tip**

A generic drug and its brand name equivalent are considered to be Interchangeable Drugs. Health Canada imposes the same standards and tests on generic drugs as it does on brand name drugs. Generic drugs are effective and safe, while often being less expensive.

### **Quebec Pharmacy Pricing Controls**

If the Summary of Benefits specifies that Quebec pharmacy pricing controls apply, Participants will be responsible for paying the difference between the amount charged by the pharmacy for professional fees and the amount Blue Cross considers acceptable Usual, Customary and Reasonable charges.

#### **Opioid Management**

If the Summary of Benefits specifies that opioid management applies, certain Eligible Drugs will not be eligible for reimbursement, and other Eligible Drugs may require Prior Authorization. Opioid management ensures Participants are reimbursed for drugs with the best clinical evidence for pain management while managing the potential for overuse or misuse.

### **Payment of Claims**

#### **How Payments are Made**

The Summary of Benefits specifies the Method of Payment that applies to Participants under the group plan.

**Pay Direct:** At the time of purchase, the Approved Provider will submit the Participant's claim to Blue Cross electronically to verify eligibility. The Participant will pay the Approved Provider only the portion of the claim that is not covered by this benefit. Blue Cross will reimburse the balance of the claim to the Approved Provider directly.

## Helpful Tip

If you have a Pay Direct plan, always have your drugs submitted electronically via the Approved Provider. This will ensure you don't end up paying more out-of-pocket than you should.

If the Participant submits to Blue Cross a paid-in-full prescription drug receipt, despite the fact pay direct was offered, Blue Cross will only reimburse the amount that would have been paid to the Approved Provider if the claim had been submitted electronically.

#### Time Limit to Submit a Claim

Blue Cross must receive proof of claim within 12 months of the date the Eligible Expense was incurred.

### **Exclusions and Limitations**

Unless otherwise specified in the Summary of Benefits, expenses associated with the following categories of drugs or services are not eligible for reimbursement, even when prescribed:

- a) varicose vein injections;

### Right to Convert to Individual Coverage

A Participant who is not a Quebec Participant and who is no longer eligible under this benefit may convert their group coverage to a similar individual drug plan provided by Blue Cross.

Individual policies issued under this conversion option are subject to the terms and conditions specified in the *Right to Convert to Individual Coverage* found under the *Coverage Details* of this booklet.

Quebec Participants who are no longer eligible for drug benefit coverage cannot convert their group drug coverage to an individual plan. If they are not eligible under another group plan, they must contact the Régie de l'assurance maladie du Québec (RAMQ) to obtain coverage from the RAMQ's public drug plan.

### **Minimum Requirements for Drug Coverage in Quebec**

This provision applies to Quebec Participants.

#### **Act Respecting Prescription Drug Insurance**

The group plan must be administered in accordance with the Act Respecting Prescription Drug Insurance ("the Act") for Quebec Participants, including the Act's provisions about maximum coinsurance, out-of-pocket maximums, eligible drugs, exception drugs and eligible pharmacy services.

Under no circumstances will the *Exclusions and Limitations* provision of this benefit render drug benefit coverage for Quebec Participants less generous than the basic prescription drug insurance plan established by the Act.

# Helpful Tip

Shop around for the best price for your prescription drugs.

For the same prescription, the price can vary depending on where you go, even among stores in the same chain.

#### **Out-of-pocket Maximum per Calendar Year**

If, in any calendar year, a Member spends more than the maximum contribution amount established by the RAMQ on Eligible Expenses for themselves or their Dependents, the amounts in excess of the maximum contribution amount will be reimbursed by Blue Cross at a rate of 100% until the end of that calendar year. The contribution amount includes the Deductible, amounts in excess of the reimbursement level or copayment, if applicable.

### Participants Age 65 Years and Over

At age 65, a Quebec Participant is automatically registered as a beneficiary of the RAMQ public drug plan. Therefore, on reaching age 65, a Quebec Participant must decide whether to:

- cancel their automatic registration with the RAMQ drug plan in order to continue their coverage under this benefit; or
- accept coverage under the RAMQ public drug plan.

The decision to accept coverage under the RAMQ public drug plan is irrevocable.

Quebec Participants who decide to accept coverage under the RAMQ public drug plan are no longer eligible for coverage under this benefit.

Exception: If the Summary of Benefits specifies this benefit is supplemental to the RAMQ public drug plan coverage, the following expenses are eligible, subject to the Deductible and Reimbursement Level specified in the Summary of Benefits:

- the Deductible and coinsurance paid by the Quebec Participant under the RAMQ public drug plan; and
- reimbursement for any Eligible Drug that is not included in the RAMQ public drug plan but is covered under this benefit.

If the Member decides to join the RAMQ public drug plan, the Member's Dependents must also register with the RAMQ public drug plan.

If a Quebec Participant decides to maintain coverage under this benefit, Blue Cross reserves the right to modify the premium rates applicable to this benefit for any Quebec Participant age 65 and over.

### **Purpose of Coverage**

Blue Cross will pay the Eligible Expenses described in this benefit, subject to the conditions outlined below.

### **Payment of Claims**

#### **How Payments are Made**

At the time of purchase, the Approved Provider will either submit the Participant's claim to Blue Cross or provide a completed claim form and proof of payment to the Participant to submit to Blue Cross. The Participant will then be required to either:

- pay the portion of the claim that is not covered by this benefit and Blue Cross will reimburse the balance to the Approved Provider directly; or
- pay the total amount requested by the Approved Provider and the Participant will receive the portion of the expenses refundable by Blue Cross.

#### Time Limit to Submit a Claim

Blue Cross must receive proof of claim within 12 months of the date the Eligible Expense was incurred.

#### **Predetermination for Claims over \$500**

If the total cost of any Treatment is expected to exceed \$500, the Member must submit to Blue Cross, before the Treatment begins, a detailed Treatment plan outlining the type of Treatment to be provided and the amounts to be charged.

Blue Cross will then notify the Member of the amount eligible for reimbursement. The Treatment must be performed by the dentist who prepared the Treatment plan; otherwise a new Treatment plan must be submitted to Blue Cross for re-assessment.

#### **Date of Treatment**

Eligible Expenses are considered to have been incurred on the date the service or supply was provided. For procedures requiring more than 1 appointment, the Eligible Expense is considered to have been incurred on the date that the entire procedure was completed or the appliance was placed.

To ensure coverage is kept up-to-date for you and your Dependents, it is important to report any changes to your employer within 31 days of the change. - Adding or removing a Dependent
- Status updates of a Dependent student
- Change in marital status
- Application for benefits previously waived

### **Beneficiary Designations**

Unless otherwise designated, all benefits are payable to you.

### **Providing Proof of Claim**

You must submit your claims for Eligible Expenses and benefits within applicable time limitations. Proof of claim must be provided in a form acceptable to Blue Cross.

### **Helpful Tip**

Your proof of claim must be submitted in either English or French. If the original proof of claim is in a language other than English or French, you are responsible for any costs associated with translating your proof of claim.

Costs associated with providing proof of claim are your responsibility.

#### **Recovering Damages From a Third Party (Subrogation)**

If you have the right to file legal action against a third party (individual or corporate body) for a loss relating to any claim submitted under this group benefits plan, Blue Cross is entitled to acquire your rights for recovering damages for any portion of the loss that has been paid by Blue Cross.

You must sign and return the necessary documents to facilitate this process and you must do everything that is required of you to protect your rights to recover damages from the third party.

#### **Reporting Health Insurance Fraud**

Health insurance fraud is the intentional act of submitting false, deceiving or misleading information for the purpose of financial gain.

Whether committed on a small or large scale, fraud can lead to significant financial losses to the benefit plan and result in higher premiums and decreased coverage. Blue Cross is committed to protecting the integrity of our benefit programs for our plan sponsors and members by monitoring and resolving any abusive or fraudulent activity.

#### **How You Can Help**

As a group plan member, you can help eliminate fraudulent abuse of your plan:

- keep your identification card, plan number, member identification number and related information confidential and secure;
- carefully review your receipts for products and services claimed to ensure:
  - you understand the charges billed; and
  - the charges reflect the services received.

If you are unclear about any of the charges on your receipt, ask your provider to explain the charges to you:

- carefully review your Explanation of Benefits claim statements (EOB) for any discrepancies in services received compared to services claimed;
- never sign a blank claim form;
- from time to time, we send member verification questionnaires to confirm treatments and other related information. If you receive one of these questionnaires, please complete it and return it promptly. These questionnaires are essential to our fraud deterrence efforts.
