

Dear ONA Members,

This is a reminder to be sure you check out the new Code of Conduct, which came into effect June 5, 2023, and the new Scope of Practice Standard coming into effect July 1, 2023!

Use the links below:

CNO Standards and Guidelines - <https://www.cno.org/en/learn-about-standards-guidelines/standards-and-guidelines/>

New Scope of Practice - <https://www.cno.org/en/news/2023/june-2023/new-scope-of-practice-standard-in-july/>

Or view/download from the ONA App.

Also, note that after considering key information and principles from other existing practice standards and guidelines, which has been integrated into the Code of Conduct and the Scope of Practice Standard, the CNO Council has approved the retirement of the following existing Standards and Guidelines listed below. This will all be in effect July 1, 2023:

**Practice Standards:**

- *Professional Standards*
- *Ethics*
- *Decisions About Procedures and Authority*

**Practice Guidelines:**

- *Authorizing Mechanisms*
- *RN and RPN: The Client, the Nurse and the Environment*

Stay tuned and check out ONA's website portal for updated Ask a Specialist and new information on professional practice.

Regards

Professional Practice Team
